21"x21"

"VITROMANT" Earthenware - A pure white ware with a highly glazed vitreous surface of superb finish and attractive appearance. The ideal sanitaryware for domestic use.

"DURAMANT" Heavy Earthenware - Similar to "Vitromant" Ware but thicker and stronger. Well worth the small extra cost where increased strength is desirable -

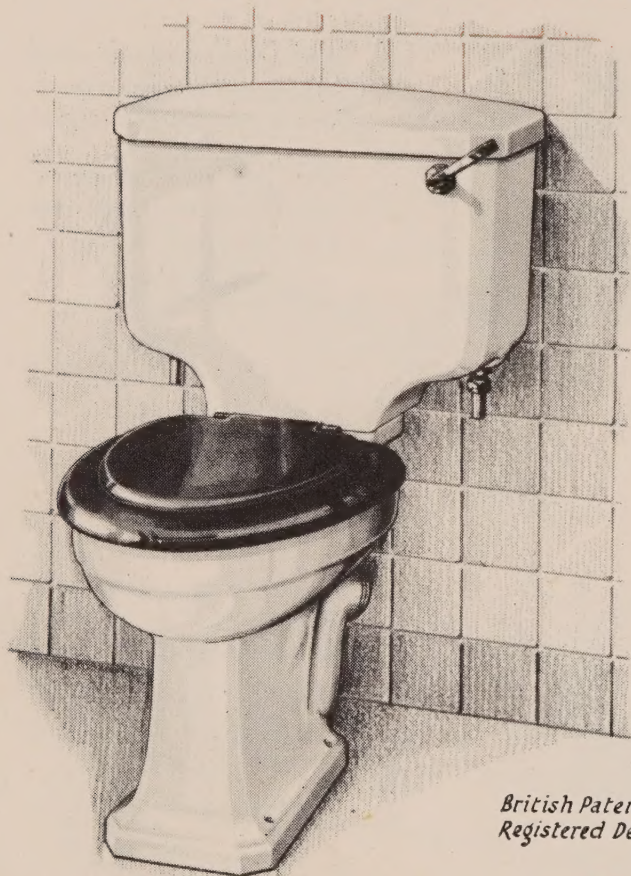

"VITROMANT" and "DURAMANT" Sanitary Fixtures can also be supplied in any of the four colours illustrated on page 2

TWYFORDS

"UNITAS" TOILET SUITES

A new standard in design and efficiency

NO FLUSHPIPE • COMPACT APPEARANCE • QUIET EFFECTIVE FLUSHING

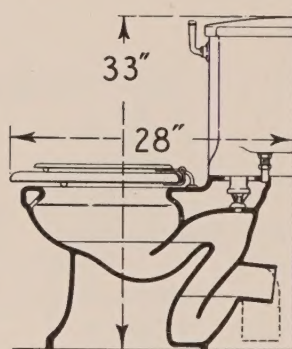

*British Patent &
Registered Design*

Special silent model

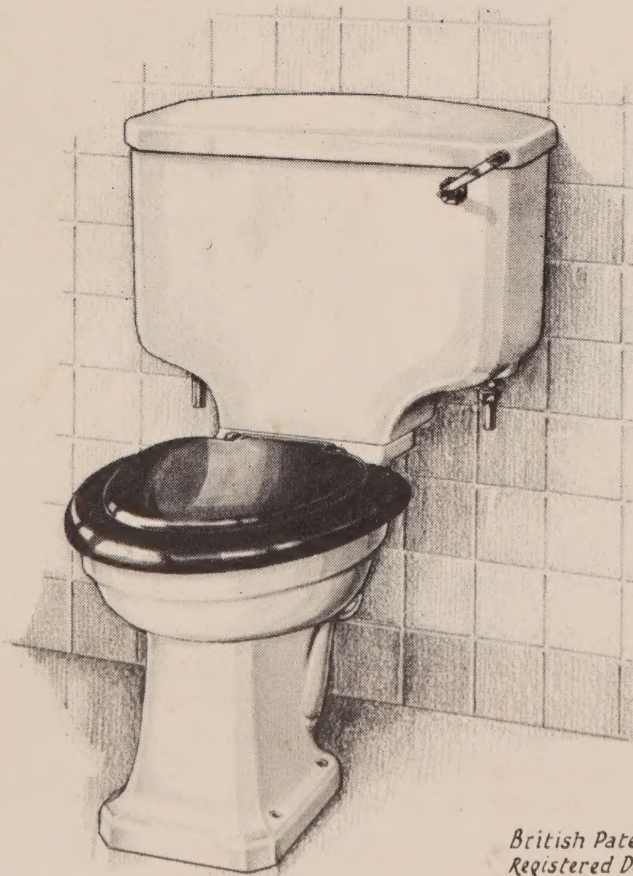

Exceptionally quiet and positive syphonic action. Full bore trap eliminates the risk of stoppage.

133 "Unitas" Toilet Suite comprising 310 toilet basin with P or S trap, 88 1/4 earthenware cistern, 2, 2 1/2 or 3 gallons with valveless fittings, 876 black plastic seat with cover.

130. As above but with 88 1/2 cistern, 3 gallons with valve fittings

Most Water Authorities insist on cisterns with "VALVELESS" fittings, but in the absence of such restrictions cisterns with "VALVE" fittings are recommended for simplicity and ease of operation.

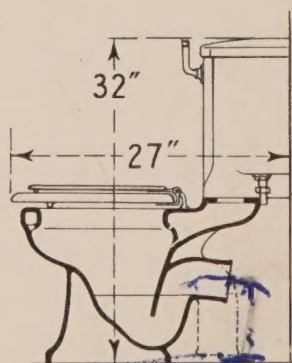

*British Patent &
Registered Design*

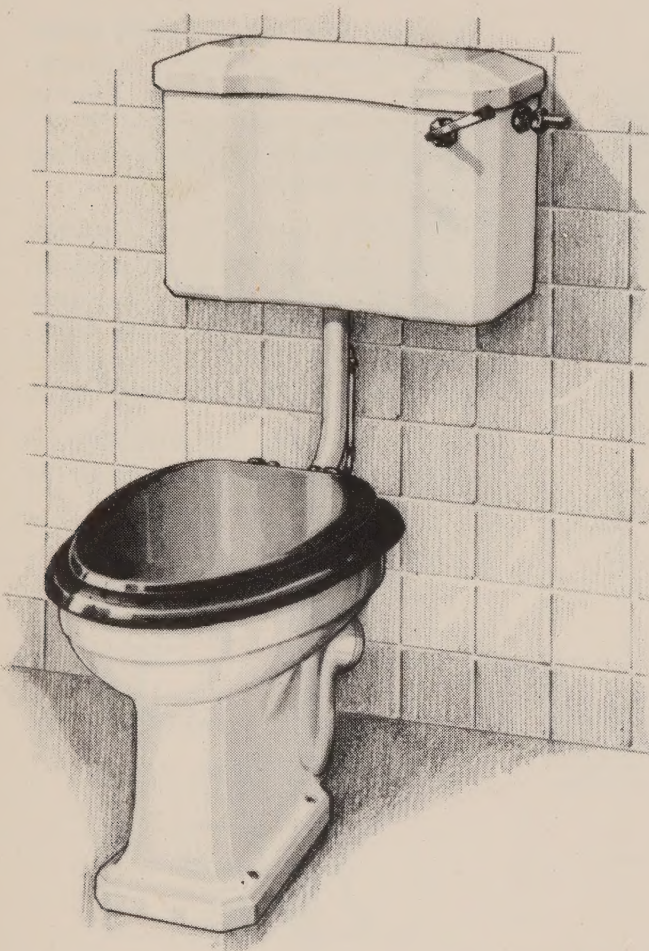

Standard model

Includes washdown toilet basin of patented construction with a high standard of efficiency.

131 "Unitas" Toilet Suite comprising 308 toilet basin with P or S trap, 88 1/4 earthenware cistern, 2, 2 1/2 or 3 gallons with valveless fittings, 876 black plastic seat with cover.

128. As above but with 1275/1 cistern, 3 gallons with valve fittings

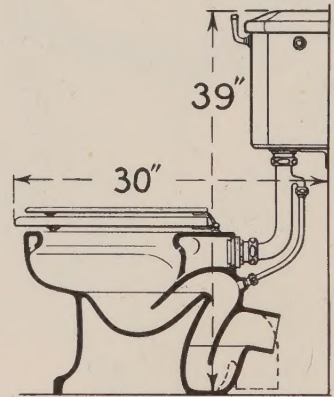

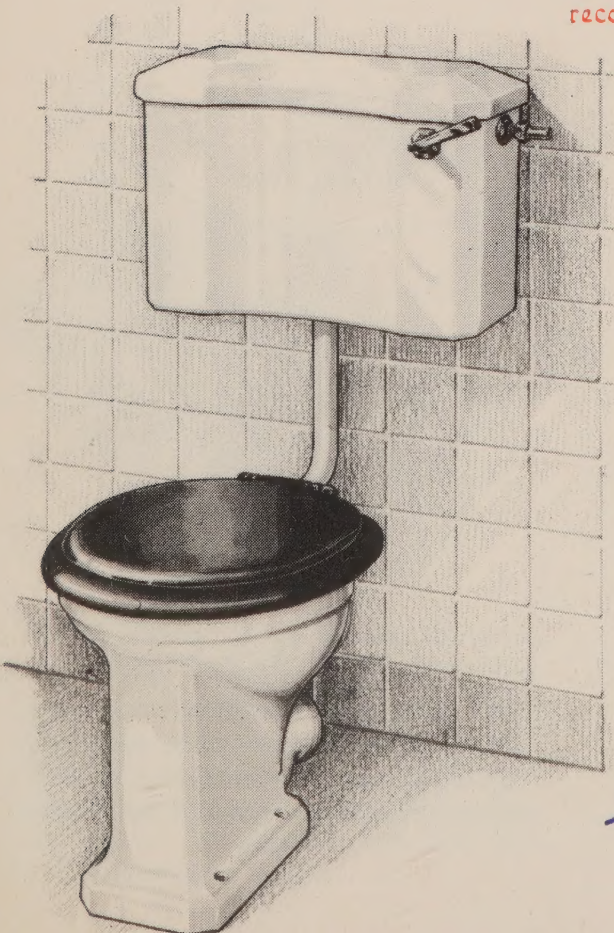

Quiet and powerful syphonic action with thorough clearance and cleansing at each flush. Full bore trap eliminates risk of stoppage.

87 "Vitromant-Silent Toilet Suite comprising 296 toilet basin with Por S trap, 838/3 earthenware cistern, 2, 2½ or 3 gallons with valveless fittings, 832 flushbend with pressure-reducing fitment and supply connection. 564/2 black plastic seat with cover.

88/2. As above but with 880/1 cistern, 3 gallons with valve fittings

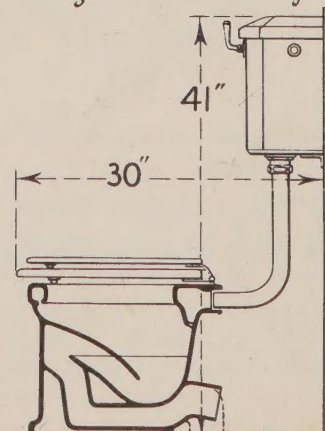

Most Water Authorities insist on cisterns with "VALVELESS" fittings, but in the absence of such restrictions cisterns with "VALVE" fittings are recommended for simplicity and ease of operation.

Improved "Centaur" syphonic basin is cleared and re-sealed with a net 2 gallon flush. Supplied with Por S trap.

36 "Vitromant" Toilet Suite comprising 309 "Centaur" toilet basin with P or S trap, 838/3 earthenware cistern 2, 2½ or 3 gallons with valveless fittings, 1319 supply connection, 564 black plastic seat with cover.

35/1. As above but with 880/1 cistern, 3 gallons with valve fittings

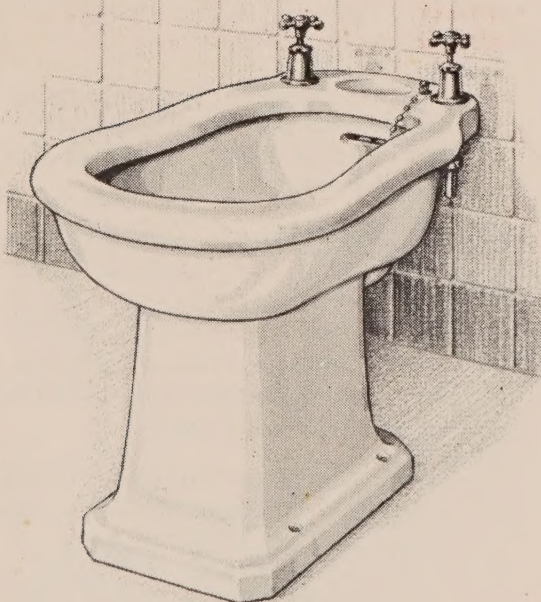

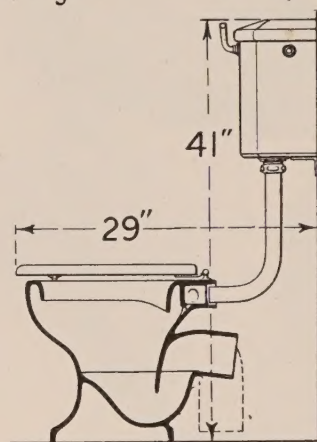

Cheapest low level toilet with earthenware cistern. Latest design "Civic" washdown basin with patent plate inlet sets a new high standard of efficiency and cleanliness.

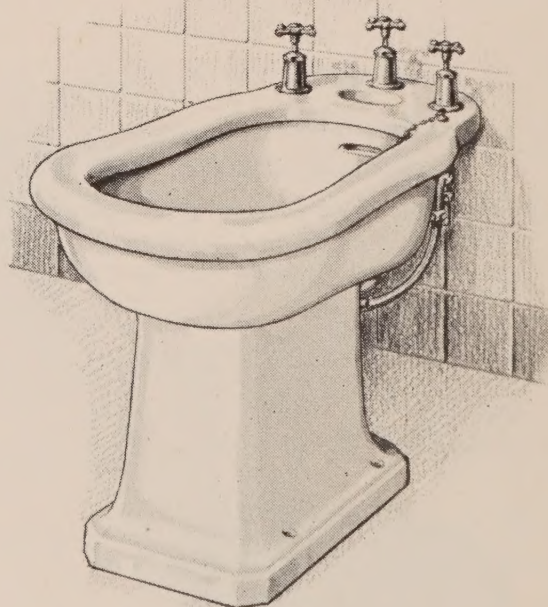

70 "Vitromant" Toilet Suite comprising 295 "Civic" toilet basin with P or S trap; 838/3 earthenware cistern, 2, 2½ or 3 gallons with valveless fittings, 1319 supply connection, 563 black plastic seat.

127/1. As above but with 880/1 cistern, 3 gallon with valve fittings.

Hot and cold water delivered to bowl through rim.

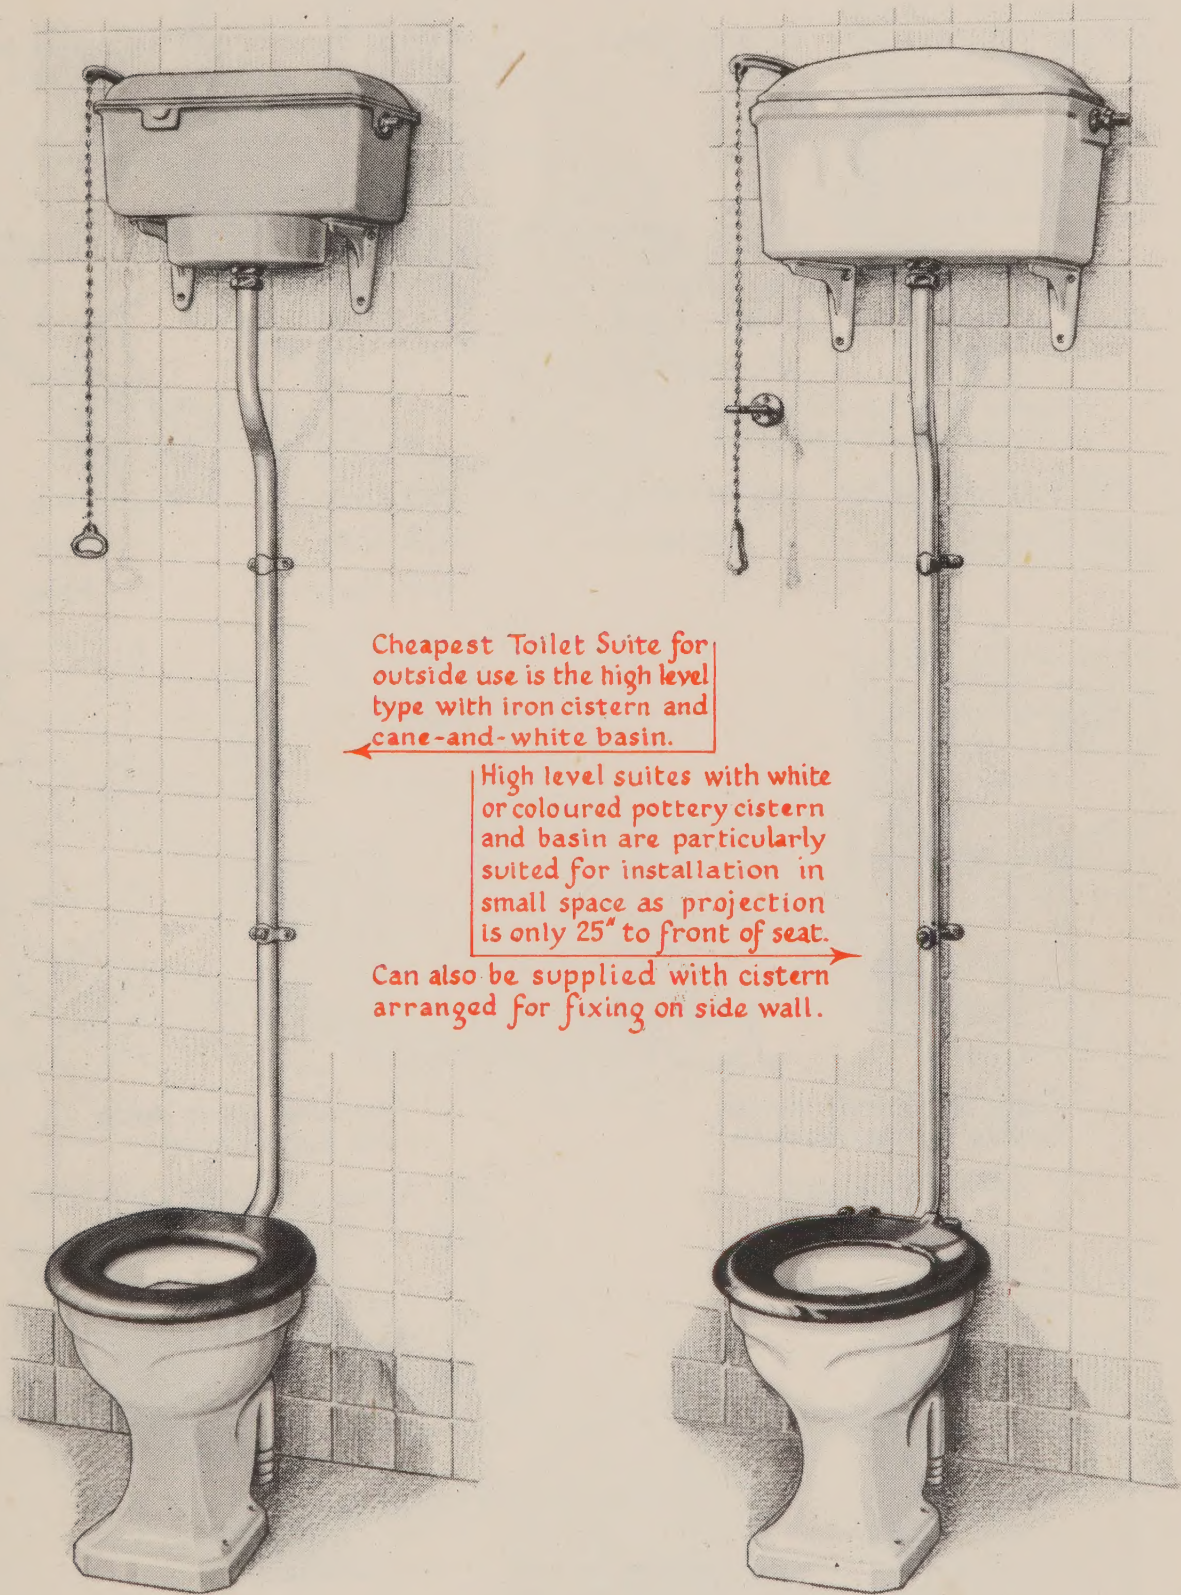

33/1 "Vitromant" Bidet with 140 hot and cold taps, 259 chain waste.

Includes ascending spray with hot and cold taps. Hot tap only to rim.

74/1 "Vitromant" Bidet with 425 fittings comprising ascending spray with regulating valve, hot and cold taps to spray and hot tap to rim, 259 chain waste.

In many countries the Bidet is an accepted feature of Bathroom Equipment and recognition of its importance in personal hygiene is becoming universal. The simplest form of Bidet has hot and cold taps to warm the rim for comfort in sitting and to fill the bowl for washing. Other models have the additional feature of ascending spray.

Cheapest Toilet Suite for outside use is the high level type with iron cistern and cane-and-white basin.

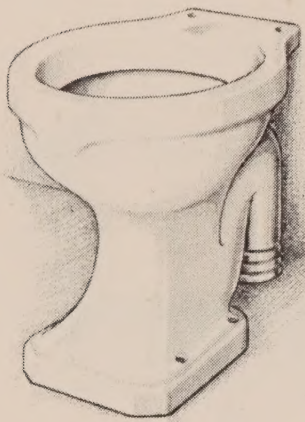

High level suites with white or coloured pottery cistern and basin are particularly suited for installation in small space as projection is only 25" to front of seat.

Can also be supplied with cistern arranged for fixing on side wall.

50/5 Toilet Suite comprising 730 "Civic" basin in cane-and-white ware with S trap; 597 painted cast-iron valveless cistern, 2 gallons with 631 brackets, 621 galvanized flushpipe and clips, 1319 galvanized supply connection, 563 stained hardwood seat with galvanized hinges.

54 Toilet Suite comprising 295 "Vitromant" "Civic" with S or P trap 1273/1 earthenware valveless cistern, 2 gallons with chain pull and guide ring, 631 enamelled brackets, 621 flushpipe and clips, 1319 supply connection, 563 black plastic seat. Fittings chrome-plated.

These Toilet Suites can be supplied with any of the basins illustrated on page 12
